LITTLE GRAPES FUNDING & DISCOUNTS

Kerem accepts Government funded hours. If you are entitled to 30 hours Government funding, we will reflect this on your monthly invoices. Where session patterns fit entirely within funded hours, there is no charge for the childcare itself. For longer sessions, funding is applied first and fees for additional hours are clearly shown.

For funded sessions, we ask for a consumables contribution of £13.75 per 5-hour session or £25.00 for a full school day. This contribution allows us to provide a calm, nurturing and fully inclusive day for all children, including Kosher meals, snacks, nappies and wipes, specialist teaching and enrichment activities. Our security levy is £40 per month.

Sibling, HGSS & Kerem Staff discounts are deducted from non-Government funded fees only and are not applicable for ad-hoc sessions. Parents must provide proof of the child's date of birth by submitting a copy of the birth certificate or passport when applying. Kerem is happy to participate in workplace funding schemes where eligible.

A deposit equivalent to one month's fees is payable on acceptance of a place. The deposit is refundable against the final term's fees providing notice is given in line with terms and conditions of the offer of a place. To ensure continuity of care and effective staffing arrangements, we ask families to register for a minimum period of six months.
